BEACHFIELD and GOLDFIELD SCOTCH SHORTHORN DISPERSAL

FELLOW SHORTHORN BREEDERS AND FRIENDS:

We invite you to be with us at Turnberry Farms on June 13th for our complete dispersal, whether you need breeding stock or not.

My first venture in registered Shorthorns started in 1935 and I sold a yearling bull in Saskatoon in 1937. It was not until 1943, a couple of years after being married, that we purchased females from R. J. Broomfield, Pense, and sold our first bull, a second prize winner at Regina in 1945—the next week our first son was born.

Since then our bulls have been at every Regina Bull Sale until this year. In fact, our life has revolved around the Regina Bull Sale—our second son arrived two weeks before the 1947 sale.

At Regina Bull Sales we have had several first prize bulls, four top-priced bulls, and the all-time record priced Shorthorn bull.

In 1948 we purchased Killearn Max Comet from Claude Gallinger, Edmonton, Alta., and in 1953 we purchased another bull from the Gallinger sale, Killearn Landmark 6th. We have owned and used Beachfield Norseman, Killearn Northern, Beachfield Max Express, Kelburn Brawith Emblem 3rd, son of Calrossie White Emblem, from Richardson Stock Farms, Winnipeg, and our most recent purchase—Searle Command Augustus, from Searle Farms, East Selkirk, Man., sire of the 1960 calves and selling as Lot 1.

In 1956 Beachfield Highlander took Grand Championship at Regina Bull Sale and was sold to Alf Dreger of Lorlie. In 1961 Mr. Dreger brought in two sons and one grandson of "Highlander" to take Grand, Reserve Grand, and First Prize Group of Three Bulls.

Our cattle have been very profitable for us but aside from the financial gain, and the excitement and glory of winning championships, the great reward is the association with the members. We hope that we will still be considered as belonging to the Shorthorn fraternity.

—Wilf, Isabel, Blake and Cliff.

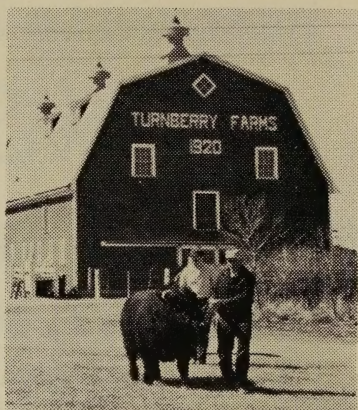

FELLOW BREEDERS:

It has been a hard decision to make, but due to circumstances we have decided to disperse our Shorthorns.

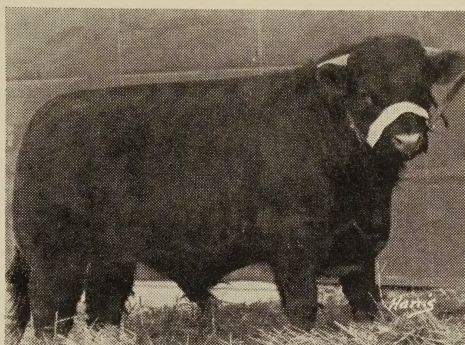

Our herd is quite small and new. It started in 1951. Our foundation females were bought from Algot Flodell of Beatty; Syd. Berry of Lashburn; and James Richardson of Winnipeg. We have used the same sires as Wilf Elliott.

These females have been very profitable for us and we feel sure they will be for you.

—Bill, Marg. and Lorne.

Sire—Searle Augustus Command.

THE COW FAMILIES

THE BUTTERFLY FAMILY—Lots 6, 7, 8, 9, and 43, 44, 45.

The Butterfly family came to our herd with the purchase of Lot 9, Goldfield Butterfly, from Bill Homes, who had purchased her dam, Shirley Butterfly, a Russell-bred heifer, from the herd of S. K. Berry of Lashburn—a choice of eighteen heifers. They are consistent breeders and good milkers.

The Broomfield Cattle—The Victorias, Duchess' and Countess'—includes Lots 10 to 17 inclusive.

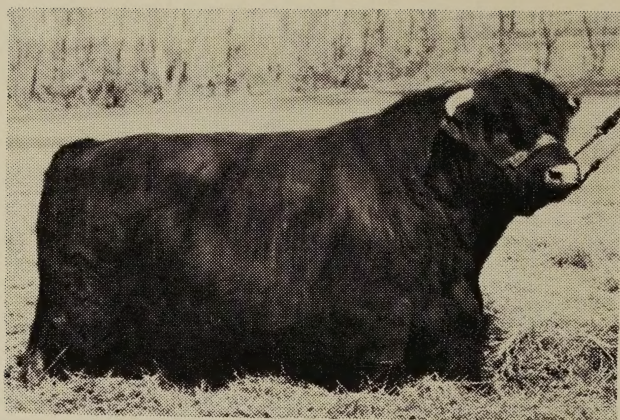

The ancestors of these lots formed the foundation of Beachfield Shorthorns. From this family we made our first sale in four figures.

The Pennys—This herd came to the herd with the purchase of Craighurst Penny, a full sister of the 1946 Regina Grand Champion, Craighurst Peter—a bull that made a name for himself in the herds of S. J. Fulton and Joe Park of Holbein, Sask. A daughter of Craighurst Penny, Beachfield Maiden (Lot 20) is the dam of the all-time record-priced bull at Regina, Beachfield Max Express. She is also the dam of Lots 18, 19, and 21.

The Beauty's—The dam of Lot 25 was Elysee Beauty 2nd, a show cow from the herd of Henry Washington, Ninga, Man.

The Stella Family—Pittodrie Stella, by Pittodrie Monarch IMP was purchased at the Chapman Dispersion, topping the sale at \$950. Her son, Beachfield Norseman by Killearn Norseman 19th, was used in our herd for a time and sired Lots 9 and 18.

The Graces—Lot 39 was purchased at the Andrew Dispersion, Regina, a big cow with two outstanding daughters in the sale—Lots 37 and 38.
